

How to Explain all those questions at the end of the Application

No one applying for health coverage on this application is incarcerated (detained or jailed).

If the consumer is sitting with you, the answer is obviously yes.

If a child on this application has a parent living outside the home, I know I'll be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell the agency and I may not have to cooperate.

Has no impact on someone applying for Marketplace plans. Only relevant if applying for Medicaid or CHIP. Must answer yes to be eligible for Medicaid or CHIP.

If anyone on this application enrolls in Medicaid, I'm giving the Medicaid agency our rights to pursue and get any money from other health insurance, legal settlements, or other third parties. I'm also giving to the Medicaid agency rights to pursue and get medical support from a spouse or parent.

I know that I must tell the program I'll be enrolled in if information I listed on this application changes. I know I can make changes in my Marketplace account or by calling 1-800-318-2596. TTY users should call 1-855-889-4325. I understand that a change in my information could affect my eligibility for member(s) of my household.

Please come see us to update your account! We are open all year! Seemingly minor changes can have a significant impact and the Marketplace call center will not explain that to the consumer.

To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow the Marketplace to use income data, including information from tax returns, for the next 5 years (the maximum number of years allowed). The Marketplace will send me a notice, let me make any changes, and I can opt out at any time.

We recommend answering yes. The Marketplace will check your estimated income against data from the IRS. This allows them to do that income check for the next 5 years to estimate your eligibility for subsidies.

Did Arianna reconcile premium tax credits on your tax return for any past years? (optional)
Check the box below if all of these apply to you:

- You got premium tax credits to help pay for Marketplace coverage.
- The tax filer(s) on your application filed a federal income tax return for the same year you used tax credits. For example, in 2015 you got help paying for coverage, then and you also filed a tax return for that same year.
- The tax filer(s) submitted [IRS Form 8962](#) with the tax return.

Yes, prior premium tax credits were reconciled for past years.

SKIP if not sure.

ONLY check this box if consumer is certain they filed 2016 taxes and reconciled tax credits.
